Re: Service Meeting adjustments related to 2013 district convention program

Dear Brothers:

Please note that the Service Meeting scheduled for the week preceding your 2013 'God's Word Is Truth!' District Convention should be adjusted to review counsel and reminders about attending the convention that was featured in the April 2013 *Our Kingdom Ministry* insert. A month or two following your convention, a local needs part should be used to review convention points that the publishers have found to be **helpful in the field ministry**.

We also remind you that the campaign to distribute the 2013 district convention handbills will begin three weeks before your assigned district convention. Copies for distribution to the field can be handed out to the publishers a week or two before the campaign is to begin. Publishers and pioneers should be encouraged to take only the amount that they need for one week in their personal ministry. During the campaign, the congregation should be reminded to take only a week's supply. Kindly remind publishers that any invitations they do not distribute should be brought to the convention and used to witness informally at the convention city or as they travel to and from the convention.

We send our warm Christian love.

Your brothers,

*Christian Congregation
of Jehovah's Witnesses*

PS to Congregation Service Committees: The Congregation Service Committee should meet and review the instructions contained in our letter dated December 16, 2012, in connection with the distribution of the convention handbills and territory coverage.
