October 2, 2017

TO ALL BODIES OF ELDERS IN THE UNITED STATES BRANCH TERRITORY

Re: Contributions Received at the 2017 Annual Meeting

Dear Brothers:

We wish to provide you with the following reminders in connection with contributions received during the 2017 Annual Meeting for Kingdom Halls that will be hosting the broadcast event:

- Please place temporary labels on the contribution boxes so that all boxes are clearly labeled "Worldwide Work."
- The elders may estimate expenses that were incurred during the use of the Kingdom Hall for the annual meeting and deduct the total from the contributions received. The expenses may include utilities and supplies, but not the purchase or rental of audio/video equipment.
- Please transfer the net contributions to the branch office using the [jw.org](http://jw.org) website. The amount should be submitted as a donation to the worldwide work.

We thank you for your support of these arrangements. Please accept our warm Christian love and best wishes.

Your brothers,

*Christian Congregation  
of Jehovah's Witnesses*

c: Circuit overseers
