Re: Languages in which the Kingdom Ministry School will be held in Spain

Dear Brothers:

It is our pleasure to inform you that the Kingdom Ministry School for the 2018 service year will be held in Spain in the following languages: **English, French, German, LSE, Romanian, Spanish and Tagalog.**

As you know, Spain has congregations, groups and pre-groups in other languages. However, the school will not be held in any other language except for the above mentioned, because of the limited number of elders and ministerial servants. We appreciate your understanding.

We hope that this advance notification will assist those elders who wish to attend the school in another land in a language they best understand. To make the necessary arrangements, the circuit overseer will provide us with the 1) elder's or ministerial servant's name and congregation and 2) language and location of the KMS class that he wishes to attend so that we can communicate with the corresponding branch office. Please remember that all communications with the Theocratic School Desk in the Service Department should be done using the Inbox feature of jw.org, choosing *Departamento de Servicio – Escuelas Teocráticas* as a recipient.

We are confident the next Kingdom Ministry School will contribute to the spiritual instruction of elders and ministerial servants. Please be assured of our warm Christian love.

Your brothers,

Testigos Cristianos de Jehová
